RE: LANDLORD RECOMMENDATION FOR TOKË LIVING

I am the landlord of a property along East Coast Road leased to Tokë Living, and I am pleased to recommend them to prospective landlords.

Throughout their tenancy with me, **Tokë Living has consistently paid the rent in full and on time, with payments often made ahead of the due date.** They have been dependable in meeting their rental obligations, and I have never had concerns about late payments.

Tokë Living has been operating for approximately two and a half years. In my experience, they are responsible, professional and easy to communicate with. They take good care of the property and have made improvements to its presentation, while managing day-to-day matters with minimal involvement required from me.

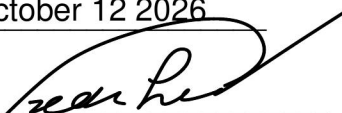

I have been very satisfied with Tokë Living as my tenant. Based on their payment record and the care they have shown towards my property, I would confidently recommend them to any landlord seeking a reliable tenant.

Yours faithfully,

Tan T  **n**

Landlord, East Coast Road
